

MACHIR BAY

CASK STRENGTH FESTIVE EDITION

On Islay, even the sheep celebrate the festive season. There's nothing better on a dark wintery night than a large dram of cask strength Kilchoman. So this year we've decided that rather than reducing Machir Bay to our standard 46% abv bottling strength we'll release a limited number of bottles at cask strength; 58.6% abv. That should keep out the cold!
